A MARYLAND PUBLIC  
AWARENESS CAMPAIGN

# 2026 SPONSORSHIP OPPORTUNITIES

# Why Sponsor the Children's Mental Health Matters Campaign?

For over 25 years, the Children's Mental Health Matters Campaign in Maryland has been dedicated to raising awareness, reducing stigma, and connecting families with vital resources. By sponsoring the 2026 Campaign, you will:

- > Help distribute essential resources and information to schools and communities.
- > Expand the campaign's reach with increased engagement activities throughout the year.
- > Play a crucial role in reaching additional underserved populations and communities.
- > Join a growing community of advocates.
- > Be recognized as a leader in promoting healthy families and communities.

Your support sends a powerful message that your business or organization recognizes that mental health is more than the absence of a disorder. Mental health influences children's thoughts, emotions, and actions, impacting their developmental milestones, social skills, and ability to cope with challenges. Supporting mentally healthy childhoods contributes to positive quality of life, fostering thriving families and communities. This sponsorship is not only an endorsement of these values and of building strong communities but is also an opportunity to increase awareness, share your commitment with a broader network, and enhance your brand presence across every county in Maryland.

The Children's Mental Health Matters Campaign has brought together partners, schools, non-profits, and other agencies with the following goals:

Increase public acceptance of children's mental health as important component of child wellbeing

Open up conversations about mental health and substance use and reduce stigma

Strengthen access for children and their families to the resources necessary to prevent and support mental health challenges

Highlight and celebrate innovative efforts of Champions for children's mental health

Provide opportunity for Campaign Partners and Champions to amplify their voices

The Children's Mental Health Matters Campaign is an initiative of the Mental Health Association of Maryland.

We are grateful to our many partners:
